HIGOLD GROUP CO.,LTD.

Higold Group Co., Ltd. Listed company on the Shenzhen Main Board, stock code 001221, the company's market capitalization exceeds 20 billion RMB, founded in 2004, is a diversified and innovative enterprise, focusing on home hardware, business including functional hardware, furniture fittings, kitchen and bathroom hardware, cabinet lighting and outdoor furniture. It is committed to creating one-stop high-end hardware solutions for the whole house for global users. As a high-end brand in China's home hardware industry, its brand awareness and sales scale have always been in a leading position in China. On 30th, July 2025, HIGOLD Group successfully listed on the A-share market, marking the milestone of becoming "the first stock of China's functional hardware" and opening a new chapter in the capital market.

Since its establishment, Higold has always adhered to the strategy of integration of production, research and marketing. We are fully committed to building four core production bases, namely HIGOLD Star Headquarters, HIGOLD Hexagonal Manufacturing Base, HIGOLD Unicorn Manufacturing Base and HIGOLD Macross Base, and jointly building the largest intelligent manufacturing base cluster for home hardware in Asia in terms of scale. With more than 30,000 square meters, Higold Star Headquarters stands in China with the architectural posture of a global original landmark, and its avant-garde, technological, dynamic and fashionable design elements attract much attention. As a national high-tech enterprise, Higold has a strong engineering technology center and research institute. It has long-term strategic cooperation with many top design companies around the world, integrating global high-quality research and innovation resources, so as to provide continuous driving force for "Original Design & Quality".

Up to now, Higold has more than 1200 patents. It is the main drafting unit of the group standard of "Functional Hardware Basket for Home Use" and the drafting unit of the national standard of "Household Kitchen Equipment", Drafting Committee for Group Standard《General Technical Requirements of LED Cabinet Lighting》. Its products have won more than 30 international awards such as the Red Dot Design Award and iF Design Award. In addition, Higold Group was assessed by the Furniture Decoration Industry Branch of China Federation of Industry and Commerce as "Top 10 in Hardware Industry of China's Home Furnishing Manufacturing Industry" and by the China Industry Iconic Brand Committee as "Iconic Brand of China's Home hardware Industry". It was awarded by Guangdong Province Government and Foshan City Government with "Specialized, Precise and Special and New Enterprise of Guangdong Province " , "Foshan Top 100 Manufacturing Enterprise" and other honors. HIGOLD has maintained a CAGR (Compound Annual Growth Rate) exceeding 30% over the past three years, solidifying its position as the flagship company in China's household functional hardware industry.

Higold products are sold to over 110 countries and regions in the world, with the sales network covering the whole world. It has hundreds of domestic urban agents and maintains friendly cooperative relations with well-known domestic and foreign enterprises such as OPPEIN, ZBOM, Quanyou, and Germany's Metro. Higold is renowned for its excellent quality and innovative design in the industry. It is committed to building a world-renowned home hardware brand. Higold strives to improve the quality of human life.

Founder & President of the HIGOLD GROUP **Mr. Alwin Ou**

HIGOLD® STAR HEADQUARTER

Higold Star Headquarters, located in Xingtan High-tech Zone, Shunde, is a landmark building invested by Higold Group and originally designed by Italy's Ferrari Pininfarina design team. With a construction area of about 30,000㎡, it houses: Higold's R&D Center, Global Sales Center, Customized Home Hardware Museum, Supply Chain Strategic Procurement Center, Ecological Chain Investment Center, Marketing Center, and Multifunctional Conference Facilities.

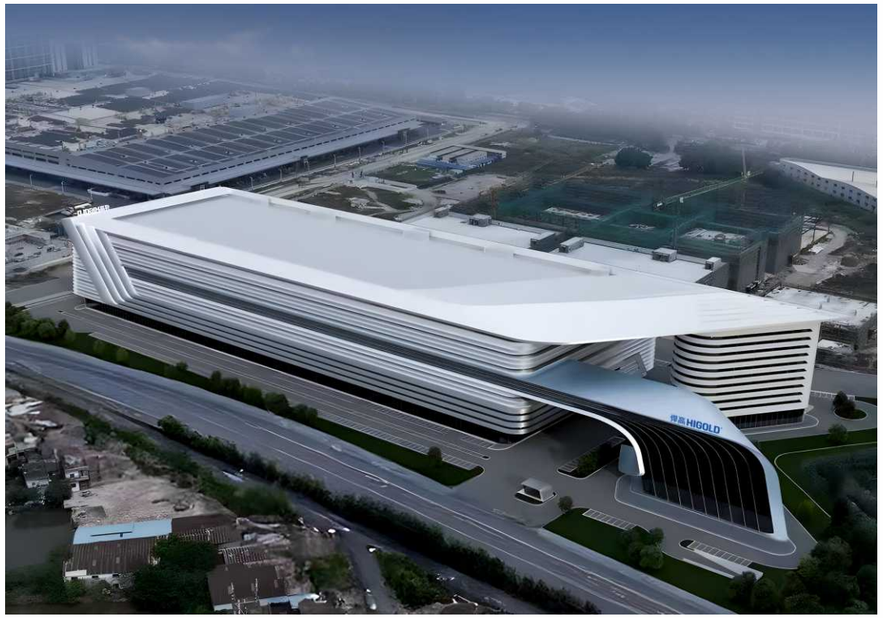
The Star Headquarters, which took 8 years from design to completion, features a highly creative and futuristic design that embodies Higold's brand DNA and corporate spirit of pursuing excellence and creating legends.

Looking ahead, the Star Headquarters will serve as an incubator for multiple industry-leading "unicorn companies", supporting Higold Group's mission to become a global leader in high-end intelligent manufacturing while shining through diversification. Higold Star Headquarters, with construction area of about 200,000㎡, is the production base of Higold kitchen hardware, wardrobe hardware, bathroom hardware, decorative hardware, outdoor furniture, committed to building industry 4.0 automation intelligent manufacturing demonstration base.

HIGOLD® HEXAGONAL MANUFACTURING BASE

Higold Group's second intelligent manufacturing base is located in Guanghua Industrial Zone, Xingtan Town, Shunde District, covering a construction area of 200,000 ㎡. Higold Group took the lead in opening a comprehensive digital and intelligent transformation production base of the manufacturing system. The hexagonal manufacturing base, designed as a "Black lights smart factory", will feature: 4 smart factories, 1 R&D center and 1 hardware museum. The core products include hinges, slides, drawers and hardware core components. Currently, it stands as a benchmark demonstration factory, setting industry standards in production efficiency, quality, and innovation.

In the future, it will promote the annual output of hinges to more than 1 billion pieces, and strive to build an unmanned workshop with 24 hours fully automatic production, and strive to become a leading world-class home hardware aircraft carrier.



HIGOLD® UNICORN MANUFACTURING BASE

Higold Unicorn Manufacturing Base is the third intelligent manufacturing base invested and built by Higold Group in Zone B of the Xingtan New Material and Smart Home Industrial Park. Located in the Maicun Industrial Zone of Xingtan, it covers an area of 107.7 acres. In the future, an integrated super factory with a total construction area of over 250,000 ㎡ will be built here. The project is planned to be completed by 2027. In the future, Higold Star Headquarter, Higold Hexagonal Manufacturing Base and Higold Unicorn Manufacturing Base will form a cluster of digital manufacturing bases with a total area of over 600,000 ㎡.

Adhering to the global original architectural concept, this base is still designed by Italy's Pininfarina. embodying the brand's DNA through fluid architectural lines. The entire design style is dynamic, futuristic, and technologically advanced. In the future, this production base will become the main production base for furniture fittings and precision core components, contributing to the Higold Group's accelerated development into a leading world-class home hardware carrier.

HIGOLD® MACROSS BASE （In design）

Higold Megafortress Manufacturing Base is Higold ' s fourth intelligent manufacturing hub. Located in Phase II of the Shunde High-Tech Industrial Zone in Foshan, the project spans approximately 168,000 square meters, with a planned total investment exceeding RMB 2 billion.

As a key pillar in Higold Group ' s long-term development strategy and future capacity planning, the Megafortress Manufacturing Base will undertake the production of core categories, including functional hardware and outdoor furniture. Looking ahead, the base will operate in synergy with Higold ' s Interstellar Headquarters, Hexagon Building, and Unicorn Manufacturing Base, jointly forming one of Asia ' s largest clusters of intelligent manufacturing facilities for home hardware.

BRAND HISTORY

2004

"Higold"was established to engage in hardware processing and exportation by renting a 1,500 square meters factory in Nanlang, Xingtan town.
The company participated in the Canton Fair for the first time, with a booth area of 9 square meters only.

2006

The production base was relocated to Xingtan East Village, expanded to 15,000 square meters.

2007

The company began to enter the Chinese market.
It transformed from an OEM business to a kitchen functional hardware products business.
To facilitate the registration of trademarks for all product categories, it changed its name from "Kaigao" to "HIGOLD".
Considering long-term development, it hired a world-class brand agency to fully upgrade the CI system of the HIGOLD brand.
Since then, HIGOLD's independent brand strategy was officially launched.
In the same year, "HIGOLD Outdoor Furniture Company" was established, marking its entry into the outdoor furniture sector and exploration of diversified development.

2008

Survived after the Asian financial crisis, Higold was determined to focus on domestic sales, supplemented by exports, and focus on design and branding as the core of development.

2011

The domestic market strategy has achieved remarkable results, and won the title of "Top 10 kitchen and bathroom accessories enterprises in China".

2012

Awarded Shunde Longteng Enterprise;
Production base expanded to 40,000 square meters;
Products sold to 56 countries and regions around the world;
Higold outdoor furniture company participated in SPOGA exhibition in Cologne, Germany for the first time with its own brand, with a booth of 150 square meters.

2013

Higold Kitchenware Company was established, and the product line was extended to kitchen hardware such as sinks and faucets.

2014

Higold was awarded The Red Dot Award with its original design "Spaoe Pantry";
The opening of flagship store of outdoor furniture with an area of 1000m'in Amsterdam. Netherlands;
Higold E-commerce Company was established, and products were sold on e-commerce platforms such as Tmall and JD.com.

2015

Higold brand experience pavilions were set up in 70 cities in China;
Hardware and furniture products were sold to 86 countries worldwide.
The second production base for functional hardware was put into operation.
Higold was awarded National High-tech Enterprise.
Higold was selected as the drafting unit of the national standard of "Household Kitchen Equipment ".

2016

Higold plant in the high-tech zone officially laid the foundation;
In the same year, Higold signed contract with Pininfarina in Italy to begin the design of Star Headquarters building.
Advertisements of Higold were displayed in Times Square, New York, USA.
Higold was assigned to be the "Executive President Unit" of China National Hardware Association;
Higold Hardware, which set up agencies over 100 cities in China, indirectly sells products to customers through over 10k authorized kitchen cabinet stores.

2017

Higold built a new production base in Shunde High-tech Zone, with a construction area of nearly 200,000 square meters;
Higold Smart kitchenware won the German Red Dot Design Award, which is the second time that Higold won this award;
Higold was designated as the main drafting unit of the national standard for "Functional Hardware Basket for Home Use".

2018

The foundation of the Higold Star Headquarters has been officially laid, as the first artwork and landmark building for the Italian Ferrari design team Pininfarina, being in the spotlight.
Higold outdoor furniture gradually extended to outdoor ovens, outdoor umbrellas.

2019

The Chairman of Higold Group, Mr. Alwin Ou, was awarded the title of Advanced Entrepreneur of the New Era" by the government; he was selected as a honorary winner in the "China Home Furnishing Industry Hall of Fame" by China National Furniture Association.
Higold's intelligent purification sink, which can solve food safety problems, has been featured in CCTV's programme "Consumer Advocate".

2020

Higold signed contract with international superstar Donnie Yen as its brand spokesperson, to start the strong and powerful joint journey;
Awarded Manufacturing Single Champion Enterprise in Foshan High-tech Zone;
2020 iF Design Award: Higold outdoor furniture ONDA series.

2021

Higold Group Star headquarters successfully finished the construction;
The 101-acre manufacturing base of Higold Hexagonal Building was laid, and the digital super factory of 200,000 square meters was built.
Higold Swing Trays corner unit won the national invention patent, successfully breaking through the technical monopoly of European counterparts;
Higold Shearer hardware series won the German Red Dot Design Award and the iF Design Award.
Higold BN1.0 faucet series won the German iF Design Award.

2022

Higold Group adjusted the strategic development goal: to become a leading world-class home hardware aircraft carrier.
The No.1 plant of Higold Hexagonal Building was put into operation smoothly, becoming a leading intelligent manufacturing base for efficiency and scale in the home hardware industry;

Unique design, born extraordinary

ROTATING PANTRY BASKET

A Mechanical Piece Of Art
Mega Storage Space

HIGOLD®

ROTATING PANTRY BASKET

Patent NO.: ZL202122510746.5
Patent NO.: ZL202230189307.6

Patented design on the serial movement with a dual structure and rotatable trays,
smooth rotation and bold appearance, simple but remarkable. Quick access by swivelling the cabinet door, save time and effort.
Rotating Pantry Basket represents a revolutionary way of experiencing the rotatable pantry,
providing users with more convenient and comfortable cabinet storage solutions.

1. Open the cabinet door, bring the whole wall to your eyes.

2. If you want to get something inside the basket, turn the tray gently.

3. The tray can rotate 360 ° , and the way of fetching is easier.

4. After letting go, the basket body automatically returns to normal.

NEBULA 2.0
LIFT BASKET

Innate strong storage power

HIGOLD®

A Mechanical Piece Of Art
Mega Storage Space
HIGOLD®
NEBULA 2.0 LIFT BASKET

NEBULA 2.0
LIFT BASKET

Patent NO.： ZL202230189304.2

The Higold Nebula Lift 2.0 has comprehensively innovated the Galaxy Mechanical Lifting System, two-way lifting buffer damping design, combined with personalized 3-gear adjustment buttons, to provide consumers with a more comfortable solution for storage and retrieval of wall cabinets, bringing consumers more joy of kitchen lift, giving consumers a higher quality of kitchen life experience.Nebula Lift 2.0 integrates with 3-gear speed boost adjuster, allowing consumers to adjust rebound strength and balance according to the weight of the item placed, giving a cloud-like push and pull experience.

SHEARER
LIFT BASKET

Lift and lower freely,Within reach

HIGOLD®

SHEARER
LIFT BASKET

Patent NO.: ZL201830253637.0

It can be lifted up and down freely and within reach. With the mechanical load-bearing system, it is flexible and convenient to fetch objects from a height. The buffer damping function enables stable push and pull. Adjustable gravity gears shape a more user-friendly detail.
Push and pull take less effort when adjusting the strength according to the weight of item.

MARTIN 2.0
PULL-OUT MULTI-PURPOSE BASKET

Martin 2.0 pull-out basket adopts fashionable high-end design, reflecting the artistic aesthetics of the basket body.
Separable tray design allows users to independently take out the tray and store the dishes.
After putting away the cutlery, the user can put the tray back on the basket as a whole.
The new design allows the basket to increase the storage space of dishes, making storage more convenient and practical.
